Template preview

Create an account

This template allows your customers to create an account with your organization quickly and easily. Your assistant collects the required contact and personal information before prompting them to choose a password.

What your customer says...

- Create account
- Start new account
- What is the process to making an account?
- How can I register over here?
- Registration

What your assistant collects...

- Customer first name
- Customer last name
- Customer email address
- Customer phone number

Watson Assistant

Where can I register?

I can help you with that! To create an account, we will need a few pieces of information.

First, please enter your name:

John Doe

Awesome. I'll also need an email address associated with your new account. We will
